*Make it possible*

## User Guide

Thank you for choosing GEECOO smart phone ,For additional phone contents, Please visit [www.geecomobile.com](http://www.geecomobile.com) ;This user guide is published by GEECOO Technology (Italy) Limited ,All rights are reserved ! We hope this product will bring you a new brand experience !

### Taking care of your device

Your device is a product of superior design& craftsmanship and should be handled with care: the following recommendations will help to protect your Phone:

1. Keep the device dry. Precipitation, humidity, and all types of liquid or moisture may contain minerals that can rust electronic circuits. If your device gets wet, avoid turning on device.  
Wipe it with a dry cloth and take it to the service center.
2. Do not keep device under extreme temperatures; it can damage the battery and shorten device life span.
3. Do not use or keep device in dusty and dirty areas; the electronic components may be damaged.
4. Do not attempt to open device in any way other than instructed in this guide. Repairs attempted by an entity other than designated service agent /center will void warranty.

### CAUTION:

1. Use careful with the earphone maybe excessive sound pressure from earphone and headphones can cause hearing loss.
2. Risk of explosion if battery is replaced by an incorrect type .Dispose of used battery according to the local laws and regulations.
3. The product shall only be connected to a USB interface of version USB 2.0.
4. Adapter shall be installed near the equipment and be easily accessible.
5. EUT Temperature:-10°C~+40°C.
6. Adapter: The plug is considered as disconnecting device.
7. The device complies with RF specifications when the device used at 0.5cm from your body.
8. To prevent possible hearing damage, do not listen at high volume levels for long periods.
9. Tampering with mobile ROOT voids warranty and may cause software instability.

### Battery & charger safety

1. Do not place battery in fire, explosion may occur. With concern for the environment, please abide local laws& ordinances in battery disposal.
2. Only use GEECOO original battery, charger, and accessories applicable to the specific mobile model. Failure to do so voids the warranty and may result in a hazard.
3. Power off mobile prior to testing its charging. If charger malfunctions, off-mode will prevent to damage the circuit board.
4. Please keep the charging mobile away from small children.
5. Do not touch charger or mobile with wet hands; it's hazardous and may damage electronic parts.
